Milton Jensen of Moon Lake Wins Royalite 'Car of Week'

Mr. Milton Jensen of Moon Lake was the lucky winner of last week's Royalite Car of the Week Sweepstakes. Mr. Jensen won a Toyota Corolla which was presented to him Friday.

Mr. Jensen entered the contest at Evansburg Service Centre operated in that community by Mr. Adolph Lorenz. The contest is based on gas sales with customers receiving an entry form at time of purchase.

The draw is made weekly in Toronto by an independent judging firm.

Mr. Jensen is the seventh winner since the contest started July 1st. The contest, which ends in November, is being held in Manitoba, Saskatchewan, Alberta and British Columbia.

Informed Sunday evening that his name had been drawn, Mr. Jensen answered the necessary "skill-testing" question and was advised Tuesday, August 25th that he had won the car.

Mr. Tom Johnson, Royalite Sales representative for the area, was present for the presentation of the keys of the new car to Mr. Jensen by Mr. Lorenz.

PLAN OUTLINED FOR WATER STUDY

Terms of reference for a water study program for the Town of Drayton Valley were outlined at last Friday's meeting of Town Council by Mr. Ken Korchinski of the engineering firm of Underwood, McLellan and Associates Limited.

The study will be based on projected population and possible industrial requirements. In evaluating the existing supply the engineering firm will review existing published data on the area and records of the town wells and the well field.

Field examinations will be carried out along with drilling of test holes as required.

Phase one of the project, which should give Town Council a clear picture of whether or not to establish an increased ground water supply as opposed to developing another water source, is expected to cost in the $10,000 to $12,000 range.

The study would also evaluate alternative sources of water supply including the North Saskatchewan River, the Pembina River, additional wells, or other sources.

No action was taken by Council at Friday's meeting and the terms of reference turned over to the Town Engineer for study, prior to a decision by council.

Phase one of the study would be completed about two months after acceptance of the terms of reference, Mr. Korchinski said.

COUNCIL BRIEFS

Acting on the recommendation of the Development Committee, Town Council at last Friday's meeting, refused an application to rezone Lot 2, Block 29 from industrial to commercial usage. The property is immediately west of the Matador Motel.

* * *

Also on the recommendation of the Development Committee which met earlier in the week, Council approved the application from J. L. Serenas to subdivide the SW 10-49-7-W5 into lots of 18 to 20 acres.

* * *

Council directed that a query be directed to the School Committee of the County of Parkland to determine the possibility of additional land being required in the area of the Elementary School for further expansion. The information is required by Council in attempting to determine the availability of addi-

Alberta Population 75 Percent Urban

Alberta population figures for 1970, complied by the Department of Municipal Affairs, show that for the first time over 75 per cent of all Albertans are living in urban areas.

Alberta's population stands at 1,576,549, an increase of 18,510 over 1969. Of this amount, 1,183,955 persons are living in cities, towns or villages.

The County of Parkland 1970 population is shown as 10,964 with an equalized assessment of $50,804,772. Parkland is second to Strathcona with the highest equalized assessment of $66,026,190, according to the August issue of "Within Our Borders", a provincial government publication.

Population of Drayton Valley is listed at 3,471 and the 1970 equalized assessment $4,023,423 The only other town in the County of Parkland is Stony Plain with a population of 1,628 and assessment of $2,475,866.

Villages listed in this region include: Entwistle, 329, $252,947; Evansburg, 461, $576,150; Breton, 447, $506,950; Warburg, 438, $503,847; Wildwood, 403, $407,710; and Spruce Grove 1,110, $1,392,026. Lodgepole, (now included in Parkland) shows a population of 207.

Council Studies School Design

Mr. A.M. Beveridge of Wood and Gardiner, Architects, attended last Friday's meeting of Town Council to review tentative plans for the new high school proposed for Drayton Valley.

Also present and taking part in the discussion were School Trustee Jack Tyler, Frank Maddock High School Principal Ritchie Woods and County Councillor Ivan Vowk.

Discussion centred on the auditorium portion of the building which is of primary concern to the town which will be assisting in construction costs in exchange for after-hours use of the auditorium as a community centre. The town and County of Parkland are each contributing $50,000 above the School Buildings Board maximum to create an adequate facility for this purpose.

There was general agreement at Friday's meeting that storage areas were inadequate in the tentative plan but since the Department of Education is holding to a maximum amount available the plan was accepted with minor changes.

Mr. Beveridge expressed the possibility of adding to the kitchen storage and adding another room to the end of the balcony that runs along one wall of the gymnasium.

The tentative plan will be reviewed this week by members of the County of Parkland School Committee leading to a final plan. The Western Review will endeavor to obtain a copy of the floor plan for printing as soon as available.

Ease Fire Restrictions

Effective immediately, Dr. V.A. Wood, Deputy Minister of the Alberta Department of Lands and Forests, announces that campfire restrictions are rescinded in the Edson, Grande Prairie and Whitecourt Forests and in that portion of the Rocky-Clearwater Forest lying north of the Clearwater River.

Eleven forest fires are burning in Alberta at the present time, all of which are under control except the large fire in the northern Bow River Forest which is under partial control. Two hundred and seventy - five men are battling this blaze aided by other resources which include 20 crawler tractors and fifteen aircraft.

Forest Service officials are still very concerned about the existing fire danger in the Bow River and Crowsnest Forests where a complete closure still remains in effect.

MAGNOLIA NEWS

Mr. and Mrs. Roy Strangway welcomed a visit from Mr. and Mrs. George McFadden of Dresden, Ontario. Mrs. McFadden is a sister of Mr. Strangway's. This is a first trip to western Canada for them. Mr. McFadden's sister and brother-in-law, Mr. and Mrs. Torey Squire, accompanied them on the trip. Mr. and Mrs. Strangway travelled with their guests to Victoria to visit Glenda and her family for a week. They tell me it was a wonderful trip.

We would like to extend congratulations to Mark and Sophie Chechotko on the safe arrival of their son on Tuesday, August 18th at the Drayton Valley hospital. Little Mark Paul John is a brother for Gladys, Philip, Debbie, June and Robert.

Recent visitors at the home of John and Ruby Brown were Frances Murphy, her husband and their five children, all of Altario. Mrs. Murphy is Ruby's sister. It is nice to hear of families visiting together in the community.

Best wishes are extended by the community to John and Barbara Waddell on the occasion of their wedding on August 22nd at Gleichen, Alberta. Folks from here who attended were Mrs. John Waddell and Mary; Mrs. Kate Gardner, an aunt who arrived recently from Renfrewshire, Scotland; Mr. and Mrs. David Waddell; Mr. and Mrs. Allan Walker and Larry; Don and Connie Rose; Eric Brown; John D. Waddell; Pete and Don McDougall and Liz Kmyta. The latter three gentlemen were the groomsmen.

Mr. and Mrs. Harold Anderson of Fallis were recent visitors in this district.

A welcome is extended to Mrs. Kate Gardner is Scotland who has come to visit with Mr. and Mrs. John Waddell Sr. and family for a month. Mrs. Gardner and Mrs. Waddell are sisters.

Sympathy of the district is offered to the Chechotko family on the death of Sophie's father on August 18th.

Mr. and Mrs. Frank Lycan of Vancouver with their youngest son paid a surprise visit to this community on August 17th. Many will remember when Frank and Louise owned the Magnolia store.

Glynne and Maxine Roth of Jasper were in the area visiting their relations this past weekend.

Mr. and Mrs. Ray Storms were among the wedding guests at the wedding of Joanne Storms in Edmonton on August 18th.

Mr. and Mrs. George Franklin and family of Edmonton visited here last weekend.

P.O. Closed At Highvale

Among northern Alberta post offices closed at the end of August was Highvale, north-east of Drayton Valley. Also closed August 31st were the summer post offices at Aspen Beach and Lakedell.

tional land for residential purposes.

In the same regard Council also requested a survey by the Town Engineer of the number of lots that will be available for residential dwellings next spring.

* * *

Mr. Wayne Gordon of the Edmonton Regional Planning Commission was also present at the meeting and discussed with Council the subject of residential planning for the future.

* * *

A delegation of R. Mayhew, K. Wardlow and C. Davies attended the meeting and requested information on the disposal of surplus equipment from the former Town Police Department.

They were advised that two pistols had been sold to former members of the department and a few items are being used by the R.C.M.P. who have assumed policing of the town.

Council advised that no further items would be sold and a complete inventory made. Following this, surplus articles would be advertised for sale.

* * *

Council authorized the sale of lots 17, 18, 21, 22, 23 and 24, Block 55, Plan 532 R.S. to Superior Construction of Drayton Valley. Also approved was the sale of Lot 15, Block 5, Plan 5321 M.C. to P. Jacobs Construction. The lot is north of the Dairy King.

* * *

Council approved the refund of part of the business license fee for the period January 1 to July 31, 1970, to E. Danyluk of Calmar as he did not operate in Drayton Valley during that time.

* * *

Councillors Marvin Helm and Bob Huber were appointed to a committee to consider ambulance services for the area with delegates from other municipal bodies in the area.

Others Say . . .

One Canada -- One Official Language

The editor of The Carstairs News, Mrs. James Currie, has some forthright thoughts on keeping Canada welded together as one nation. She feels that the nation should not have two official languages and in a recent issue she explains why.

When the English conquered the people of Wales and brought them into the federation that today we call the United Kingdom, few of the Welsh spoke English. Today in Wales there are many who still speak only their native Welsh, yet there has been no move in Great Britain to force the English into learning Welsh.

There are no bilingual Welsh and English road signs in England. Government reports are printed in only one language, English. Isn't it strange that with all this discrimination by the English against the Welsh, Mrs. Currie asks ironically, this refusal on the part of the stubborn English to adopt a different language, that the United Kingdom has remained united for several hundred years with only the occasional little flurry of Welsh nationalists breaking through the otherwise serene surface?

When the British defeated the French on the Plains of Abraham and established Canada as a British colony, they drew upon their years of experience in these matters and decreed that the French in Lower Canada should retain their language, culture and form of civil law just as they had done with the Welsh years before. Later, the British North America Act, in forming the constitution for the new Dominion of Canada, was made to include these safeguards for the French culture and language.

There was never any suggestion at any time, however, that Canada should be a bilingual nation. Nor was it ever supposed that the rest of Canada should come under the rule of the French civil code of law, or that Canada should become a republic like France (which has proved to be one of the most unstable forms of government in the western world). Nevertheless, all of these things gradually are coming to pass -- with what effect?

Within the past ten years we have witnessed a growing uneasiness on the part of non-French speaking Canadians. An increase in separatist activity in Quebec. The establishment and growth of a blatantly separatist political party in Quebec. And more recently, the development of a western separatist movement.

Western Canadians no longer look at Quebec with pride and a feeling of affection for that part of Canada that represents all that is good of the French Canadian culture, but are beginning to view Le Belle Province with distrust and annoyance as being the location of all those French trouble-makers who are trying to split up Canada.

Actually that is what we are supposed to believe. In fact, the trouble-makers who are trying to split up Canada are not in Quebec, but in Ottawa. The Bilingual-Bicultural Commission established by Lester Pearson, and continued with increased vigor by the Trudeau regime, is doing more to divide Canadians from one another than a whole province full of separatists could ever hope to accomplish.

The recent motivation tests conducted by the Public Services Commission on English speaking civil servants in Ottawa is a classic example of the havoc being created by those who have come under the influence of the Bi-Bi Commission.

The Official Languages Act passed into law by the Trudeau administration is another result of the Bi-Bi boys' work and is designed to alienate further French and English speaking Canadians.

It is time we took a long hard look at what is being done to our Canada and to begin shoring up the dike.

What is going on in the name of national unity is not progress and it is not uniting us. The adoption of one official language for Canada would. We suggest that Canadians who have enjoyed living in Canada as it used to be and who view the future with alarm as we do, support the Single Canada League and work for a united Canada in which ALL Canadians can retain their various cultural backgrounds.

CORRECTION

A typing and proof-reading goof by members of The Western Review staff created the recent misunderstanding about amounts being contributed by the town and School Committee toward construction of a new high school here and reported in last week's Town Council news.

The typing error transposed figures in Parkland School Committee news and showed $23,700 as the county contribution. This should have read $50,000, indicating a contribution of this amount over and above land purchase costs.

Editorial Comment

Weed Problem in Lakes

Weed problems in Lake Wabamun have been attracting increased comment recently and there is no doubt that the situation has reached the point where early action by the Provincial Government is required to save this fine recreation area.

Summer cottagers at Lake Isle are also concerned about the weed situation at their resort area where the weeds are interfering with water activities.

One point hasn't been made clear. Has the growth of weeds, followed by their receding, ever been recorded in the past? We imagine that Lake Wabamun and Lake Isle have been part of the local geography for several thousand years. If they were going to host weeds, why not at some time in the past until they strangled the lakes out of existance?

If they are a product of the modern age, science should be able to determine the cause.

Many fingers have been pointed at Calgary Power Ltd. for responsibility at Lake Wabamun. However, if Calgary Power is responsible for the Wabamun weeds, who is responsible for those in Lake Isle?

Think About Candidates

Autumn elections are rapidly approaching and right now is a good time to begin thinking about candidates to represent you on Town Council and other elective boards.

Three vacancies will need to be filled this fall on Town Council. Give it some thought now and be ready with candidates when nomination day is announced.

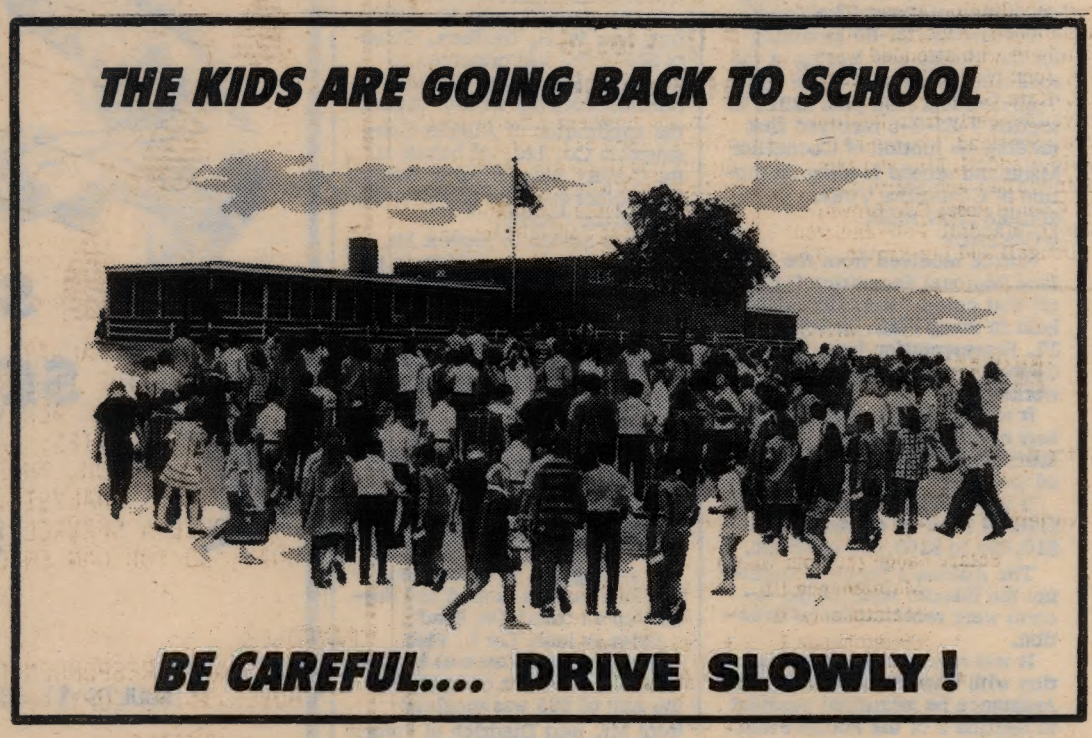
Back to Business

Summer's end heralds the resumption of the busy round of meetings by the great variety of clubs and organizations that are an integral part of this and every other community.

When your club elects new officers or reactivates after the summer recess, please attend to the important matter of publicity by either appointing a publicity chairman or having the secretary supply The Western Review with a report of your meetings. We want the news of your organization and believe we can help you succeed by keeping your activities before the public.

New publicity directors who might be unsure of format, style, deadlines and so forth are welcome to drop in for a chat and we'll do what we can to help iron the bugs out of your new job.

Investigate conditions BEFORE entering the water, and always swim with a buddy.



Hockey Camp Success

Muscle-building exercises are being demonstrated here by instructor Derrell LeBlanc at last weeks hockey camp in Drayton Valley. One hundred and fourteen boys attended the camp with about half coming from out-of-town. The camp, under the direction of Clare Drake of the University of Alberta, was again a great success.

Tennis Club Holds Finals

The Drayton Valley Tennis Club is holding its annual club tournaments.

In the ladies division Mrs. Lil Mayhew, after being driven to the wall 40-love and 7 games to 8, came from behind to dramatically defeat Mrs. Liz Coppens for the championship. Mrs. Coppens sent Mrs. Etta Trapton and Mrs. Betty Bouschard done to defeat in earlier games. In the consolation event Mrs. Ann Pinkosld won out over Mrs. Lorraine Custance.

The mens singles became a family affair as Pat Hurley turned away Bill Tuttle for the winner's trophy. Pat had earlier defeated Fr. Lynch and Tin-Tun. Lee Hurley won the consolations over Craig Featherstone.

CARNWOOD NEWS

On August 18th a surprise anniversary and birthday party in honor of Mr. and Mrs. Fred Sheppard of Washington, U.S.A. and Mr. George Goldthorpe who celebrated his 70th birthday and also Mrs. Frances Sheppard who celebrated her birthday, were all held at the home of Mr. and Mrs. William Shipton of North End.

Get well wishes to Neil Jehn, grandson of Mr. W. Hankins, who was seriously burnt recently and is a patient in the Breton General Hospital.

Mr. and Mrs. Gordon Gillespie and Mr. and Mrs. Norman Haffner attended the wedding of Keith Hannem, son of Mr. and Mrs. Kenneth Hammen of Edmonton.

Mr. and Mrs. Bert Belanger of Fort Nelson, B.C. are visiting relatives for a few days. Mrs. Belanger's mother accompanied them down.

We understand that Mr. and Mrs. Alex LaChance have now taken up residence in Calmar. Best wishes to them from the community. We hope they enjoy many years in their new home.

We hear Mrs. Henry Nixon, a patient in the Glenrose Hospital is coming along nicely. Hope to see you home soon Jean.

Mr. and Mrs. Arnold Foster and Reg visited relatives at Buck Lake on Sunday.

Mr. and Mrs. Douglas Young and Colleen of Calmar visited with Rose and Jim Saunders one day last week.

Mrs. Frieda Wilson of Cowichan Lake, B.C. is holidaying with her daughter and son-in-law Mr. and Mrs. Vant Hayes and Peggy.

Congratulations and best wishes to Mr. and Mrs. David Badgerow (nee Winnifred Anderson), who were married on August 28.

Summary Regular County Meeting

(Cont. from Page 4)

tion of another main highway from Edmonton to Winterburn corner, rather than widening the existing highway.

It was agreed to refund taxes in the amount of $132.00 with respect to the SE 29-53-25-4 for the reason that the wrong assessment amount was entered on the tax roll resulting in an overcharge of taxes.

Request for approval to install a pole line and conduit on the north-south road allowance south of the C.F.R.N. T.V. station to the West Jasper Place exchange was received from Alberta Government Telephones.

Approved subject to approval by the City of Edmonton.

WEIGH SCALE SITE

It was agreed to request information from the Department of Highways and Transport regarding plans for the intersection of the north-south road at the SE 5-53-26-4 with Highway 16.

It was agreed that the Police Committee make recommendations as to procedures to be followed by residents along Provincial Highways in reporting accidents and obtaining assistance.

It was agreed that information be obtained from the Highway Traffic Board regarding overload permits.

Mr. W.F. Purdy of Wabamun was present at the meeting and requested that the existing skating rink in Wabamun be enclosed with a building. It was agreed that Councillors Miller, Lent and Vowk be delegated to inspect and assess the existing skating rink and report to Council.

It was agreed that taxes in the amount of $69.55 be cancelled with respect to Pt. SW 3-49-7-5 as the County has acquired this land for gravel purposes.

EQUIPING OF FIRE ENGINE IN DRAYTON VALLEY

Letter dated August 21, 1970 from the Town of Drayton Valley was presented to the Council, regarding the installation of foam equipment on the fire engine stationed in Drayton Valley.

It was agreed to accept this letter for information and refer the matter to the Fire Chiefs for comment.

The Agricultural Committee has recommended that an Agricultural Advisory Committee be established to act in an advisory capacity to the Agricultural Committee.

It was agreed that the recommendation be accepted and an Agricultural Advisory Committee be established.

By-law No. 22-70 providing for payment of $25 per day and .12¢ per mile to members on the Agricultural Committee for the performance of their duties received first reading on motion of Councillor Zander, second reading on motion of Councillor Vowk, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

Councillor Mann reported that he had received a verbal request to maintain the roads in the Summer Village of Betula Beach and that payment for this work would be made by the Summer Village. It was agreed that this work be done subject to confirmation of the request by the Summer Village, in writing.

It was agreed to place a "stop" sign at the north-east corner of the NE 9-52-2-5 facing west, to require east bound traffic to stop before entering the north-south road.

HOURS OF WORK CONSTRUCTION

It was agreed that the hours of work for employees on road construction shall be as follows:

For the period to September 30, 1970 - 12 hours per day Monday to Friday inclusive.

For the period October 1, 1970 to the end of the construction season - 11 hours per day Monday to Friday inclusive.

It was agreed to commence expropriation proceedings for the acquisition of road right-of-way through the NW 22 & NW 27-52-2-5.

Preliminary agreements were approved as follows:

42 feet of land for road widening purposes on the west side of the SW 20-53-26-4 with compensation of $510 for approximately 2.55 acres of land; $200 to replace the fence and $75 towards the cost of the survey if required.

33 feet of land for road widening on the west side of Pt. SW 12-54-28-4 with compensation of $47.50 for approximately 0.38 acre of land and the County to construct a new fence.

33 feet of land for road widening purposes on the east side of the NE 1-54-1-5 with compensation of $125 per acre for land and the County to construct a new fence.

33 feet of land for road widening purposes on the west side of the NW 1-53-28-4 with compensation of $125 per acre for land and the County to construct a new fence.

Backsloping agreement west of sections 14 & 23-51-5-5.

Who gets excited about furnaces?

Nobody. Until one breaks down! Too bad. More people should get excited about furnaces sooner—like before they break down. We do.

But then we have P/M—that's Planned Maintenance. It helps stop breakdown, and it maintains optimum system reliability.

Why don't you get excited?

Put P/M on your furnace. Make it dependable.

Babysitters' Safety Course To Start September 8th

Another Babysitters' Safety Course is to be offered in response to several requests by students and parents. Two very successful courses were conducted two years ago.

The course will again be sponsored by the Drayton Valley Oil Wives Club and will follow the course program as provided by the Alberta Safety Council.

The course is open to any boy or girl who will be at least 12 years of age by December 31st, 1970. Classes will be held in the Drayton Valley Junior High School each Tuesday for eight weeks from 3:45 to 5:45 p.m. beginning this coming Tuesday, September 8th.

There is a fee of $1.00 for the entire course which helps to cover the cost of the workbook and supplies. The course leaders are Mrs. M. MacLean, Mrs. L. Ross and Mrs. E. Lyle.

Registration will take place on the day of the first lesson, Tuesday, September 8th at 3:45 in room one of the D.V. Junior High School. Registrants should bring their dollar fee and a pen at this time.

Those students who signed the lists placed in the junior and senior high and separate schools in June indicating they wished to take the course will be accepted first and anyone else wishing to take the course will be registered until the class is filled.

The course consists of six lessons under the headings of Ethics of Babysitting, Child Care, First Aid, Fires, Safety, and a Skit and Panel Discussion. A record book will be supplied to each student and each will be required to take notes on the subjects discussed. This book will be marked and returned to the student.

An examination is written at the end of the course. A student must obtain a mark of at least 60% to pass. Students may not be absent from more than one class.

Each student must spend six hours as a "Mother's Helper" with a person other than a relative, looking after a child under the supervision of the child's mother, without pay, and receive a recommendation from the mother on a form supplied. The time can be divided over two days.

Students who successfully complete the course will receive a wallet card issued by the Alberta Safety Council. Girl Guides will also receive their Child Care Badge.

The services of many people in our community are employed in putting on this course. Among those called on as resource people for lectures and demonstrations are doctors, nurses, ministers, parents, teachers, police, fire marshalls, etc. As well several films and filmstrips are incorporated to make this course interesting and highly valuable to those taking it.

For further information, please contact one of the leaders.

Mr. Rusty Zander of Tomahawk is shown here with a large spring salmon he caught on a recent trip to Terrace, B. C. Mr. and Mrs. Zander made the fishing trip to Terrace as part of a week's vacation in B. C. that included a visit to Vancouver and the Okanagan Valley. Mr. Zander enjoyed a few days fishing in the Skeena River and besides the big spring, caught several cohoe salmon. He was involved in a 45 minute struggle before his prize catch was in the boat.

Young People Return From Conservation Camp

Sixty Alberta young people returned to their communities as "conservation missionaries", following the fifth annual 4-H Conservation Camp, held at James River, 10 miles northwest of Sundre.

Intensive study of conservation practices in soil, water, fish and wildlife, range management and forestry highlighted the five-day, co-educational summer camp.

This province's three investor-owned electric utility companies sponsored the 60 youngsters to the seminar. They were equipped with the tools to spread the conservation message to their respective communities and are encouraged to address their own 4-H club, neighboring groups, local Chambers of Commerce and service clubs. All conservation practices were discussed in a general manner, but each youngster concentrated on the study of two specific conservation topics.

Alberta departments of Youth, Agriculture and Lands and Forests co-ordinated the summer seminar, in conjunction with Calgary Power Ltd., Canadian Utilities Ltd., and Northland Utilities Ltd.

Local public speaking engagements undertaken by the youngsters will be tailored to discuss various conservation conditions in their own communities. Each of the 4-H club members receives a conservation manual, a set of slides that focus attention on the two areas they studied intensively during the seminar, and suggested guidelines for public speaking.

Attendance each year has increased, demonstrating the popularity of the annual seminar. Regional representatives of the Alberta Department of Youth are asked to select 4-H club members who express an interest in conservation and nominate them for the camp.

Two members return the following summer, again as guests of the three electric utility companies. They are chosen on the basis of how they participated in the conservation promotion program the previous year.

Attending from this region were Terry Bentley of the Sundance Garden Club and Wayne Thomas of the Drayton Valley Beef Club.

MOON LAKE NEWS

Sympathy of the district is extended to the family of the late Nick Yasinchuk who passed away August 26th.

We would like to take this opportunity to welcome Pat and Bill Cheney and family back to our district. We are looking forward to seeing you again folks.

Jean Lang and family arrived home Saturday, August 29th, from Grande Forks, B.C. Her parents, Mr. and Mrs. Parfienuk, send best wishes to all their old friends and neighbors in the district. Jean also visited her sister Anne and husband, Mr. and Mrs. George Faminoff of Midway, B.C., also her brother Val and family of Grande Forks. She was grateful of the offer from her brother-in-law, George of a tour of the Okanagan, but felt she didn't have time.

Alice and Chris Woloszyn and family and Art and Fay Kidner and daughter motored through the Rogers Pass to the Okanagan Valley. While there they visited the Okanagan Game Farm at Penticton. They came home through the Yellowhead Pass. Alice says she's been busy canning, as they brought home some fruit.

Mr. and Mrs. Fred Cherrington have left on a trip to Hazelton, B.C. where they will visit with Mrs. Cherrington's uncle, Mr. Mark Allen.

(Left to Right) Brewers S. C. O'Brien and R. Piesanen with Brewmaster A. J. Kerr

Only a handful of North Americans have the judgment to brew great beer.

Three of them now brew Calgary Export Lager.

Their credentials—the treasured diploma of the British Institute of Brewing, highest achievement of the brewer's art.

It requires six years of tough apprenticeship and intensive study. It develops skill, judgment and taste. Few, indeed, are those who qualify. Yet, we demand that diploma of our Calgary brewmaster and his assistants, and three of our men have earned it.

They love beer.

They insist on the purest water, the mellowest malts, the choicest hops—and on brews whose quality and flavour never vary. They refuse to compromise. If you too refuse to compromise, Calgary Beer is for you.

Brewed by beer lovers for beer lovers.

ANNUAL FLOWER SHOW AGAIN ENJOYS SUCCESS

Annual flower show sponsored by the Drayton Valley Women's Institute was held last Saturday afternoon in the Elks Hall and again proved an enjoyable feature of the summer growing season.

In the flower show there were trophies for several individual classes of flowers. Mr. Mueller of the Bay presented the trophy for the best rose to Mrs. J. Namchuk. Mr. Johnston on behalf of Reed's Country Garden, Camrose, presented the trophy for the best pansies to Mrs. P. Tyler. Mr. Gordon of the Drayton Valley Hotel presented the trophy for the best dahlia to Mrs. E. Dusterhoft, and Mr. Johnston of Drayton Valley Hardware presented the trophy for the best 3 gladiolas to Mrs. J.R. MacKenzie.

The vegetable section of the show is new this year and Mrs. E. Dusterhoft won the grand aggregate trophy for vegetables. She was followed closely by W. Romano, D. Bowen and Miss M. MacKenzie. These people were all tied with exactly one point less than Mrs. Dusterhoft.

The judges for the flower show were Mrs. M.Burrows and Mrs. Taylor of Evansburg. Mr. Lowe, District Agriculturist, judged the vegetables.

The Women's Institute would like to extend a vote of thanks to all the people who entered flowers and vegetables in the show, the judges, and The Hudson's Bay, Drayton Valley Hotel, Reed's Country Gardens and Drayton Valley Hardware who donated trophies.

Several draws were made at the show. The door prize, a floral arrangement donated by Pembina Drug, was won by Mrs. Schmidt. The raffle for a set of lawn furniture was won by Mrs. Anna Raven.

Another added feature to the flower show was a most interesting display of Artex Embroidery. Mrs. Ankerstein and her ladies very ably explained the many possible decorative facets of liquid embroidery to the interested ladies.

A gift of a set of place mats from Artex Embroidery was won by a lucky oberver at the show.

The judges spoke briefly about the points that they consider in judging flowers and vegetables. Firstly everyone should remember we all garden under the same difficulties, rain, insects, etc. therefore your products will be of a comparable quality to your neighbors so do not hesitate to enter. In flowers, these are some of the qualities the judges are looking for, freshness of bloom, no insect damage, no signs of aging. Flowers must be true to color and uniform, both in size of bloom and length of stem. Flowers that are naturally long stemmed should be picked with long stems. The stems should be straight. Crooked stems can often be gently trained into straight stems if the contestants starts well before the date of the show. Straight stems are particularly important in glads. In the spring make a note of the variety of your flowers and then put this variety name on your entry so the judges may judge whether it is true to form.

In vegetables, the judge looks for the degree of maturity that will render the vegetable most perfect for the table. Uniformity of size and color, cleanness, trimmed vegetables should be trimmed, not skinned, no insect damage, no blank spots in peas.

For people interested in showing flowers and vegetables, an excellent booklet on the subject can be obtained free of charge from your local Department of Agriculture.

Winners of various classes were as follows:

Asters, J. Namchuk; Begonias, S. Hutchinson; Calendulas, E. Ball; Carnation, Miss M. MacKenzie; Decorative Dahlia over 8", L. Block; Decorative Dahlia under 8", E. Dusterhoft; Dahlia Cactus, A. Exchange Trip to Nova Scotia

This summer Lynne Martin of Lindale spent two weeks in Nova Scotia through an inter-provincial exchange program financed by the Royal Bank of Canada. Eight other Alberta 4-H club members also won the travel award for their leadership abilities and achievement in local 4-H club programs and spent two weeks in the other Canadian provinces. Lynne is shown with M. H. Jaque, Director, 4-H and Junior Forest Warden Branch, Alberta Department of Youth (left) and Keith R. Sveinson (right) Manager, Agricultural Department, The Royal Bank of Canada, Calgary.

Mother's Day Out Program Planned

Is there anyone in your group or surrounding community who would be interested in a weekly mother's day out program?

The Department of Agriculture, Home Economist and the Parkland Regional Recreation Department are jointly planning a Mother's Day Out Program in two areas in the County, starting in the middle of October.

The program will be held half a day once a week. Babysitting services and a pre-school program will be offered at the same time as you the mother will participate in a separate program.

Are you interested in knowing more about the many lives of a Home Maker, which can include: Self Improvement; Hostess Program; Hair and Make-up; Weight Watching; Keep Fit; Family Communication; Crafts, etc. If so this is the program for you. But what would you really like in a Mother's Day Out Program?

A planning meeting for this program will be held in Drayton Valley on September 9th, at 8:00 p.m. in the Drayton Valley Junior High School for the groups in and around the Drayton area.

The planning meeting for the Stony Plain area is scheduled for September 29th, at 8:00 p.m. at the Parkland Regional Recreation Office, next to the fire hall in Stony Plain.

Please send a representative from your group to the place most convenient for you. If you are interested and do not belong to any group, please come anyway. Don't hesitate to call us: Mrs. Sheila Brown, District Home Economist, at 777-2231 or Mrs. Lene Holgersen, Parkland Regional Recreation Department at 777-2211.

We will be looking forward to seeing you there and hearing your ideas for the "Mother's Day Out Program".

Funeral Service Held For Marion Woloszyn

Mr. Marion Woloszyn of the Moon Lake - Entwistle district passed away on August 18th at the age of eighty-seven in the Drayton Valley Hospital.

He was born in Poland on January 21st, 1883. He married Maria Trebenda on November 6th, 1906 and emmigrated to the United States in 1907.

He worked in the steel mills in Pittsburgh, Pennsylvania for three years and then retumed to Poland in 1914. When the First World War began he was called into the army where he served for four years.

Leaving Poland again in 1926 he came to Canada, arriving in Entwistle in 1927 and was later joined by his wife and family in 1928. He farmed here until his retirement in 1949, but still remained living on the same farm.

He is survived by his loving wife, Maria; three sons, Walter, Chris and Stan of Entwistle district; two daughters, Jenny of Poland and Mrs. M. (Sofie) Chechotko of Magnolia; twenty-four grandchildren and four great grandchildren; two sisters, one in Poland and Mrs. Sofie Skubik of Edmonton.

One daughter Stella and one grandson Tom predeceased him in 1965.

Funeral services were held in the Roman Catholic Parish in Evansburg with Father Cordeau officiating. Interment was in the Brightwood Cemetery.

Way Cleared for New Evansburg High School

The Yellowhead School Division is free to go ahead with its plans for a new high school at Evansburg following a decision handed down at the Edmonton Courthouse last week by Mr. Justice W.R. Sinclair. Mr. Sinclair said the school division was not remiss by not publishing notice of the proposal for the new school in the Edmonton Journal.

In granting the order in favor of the School Division, Mr. Justice Sinclair ruled that the school division had complied with the provisions of the School Act, in publishing notice of its intentions in The Edson Leader, The Hinton Herald and The Stony Plain Reporter.

Petitioners from Wildwood had contested the decision of the school division to proceed with the construction of the proposed $1,200,500 school because there was no notice published in The Edmonton Journal. They contended that most residents of the community read The Journal and did not subscribe in appreciable numbers to the weeklies in which the notice appeared.

A school board is required by law to publish notice of its intentions to construct a school, or an addition to a school, in a regularly circulated newspaper within its division.

In the absence of a local newspaper, it should be inserted in the daily newspaper in the area.

RAMONA NEWS

Sincere sympathy is extended to the Durham family on the death of their husband, father, grandfather and great grandfather. Mr. Durham will be sadly missed by his many friends and neighbors.

The Ken Stuart family returned from a visit to Langley, B.C. last Wednesday. They also went to Victoria and watch Cliff Whitelock's quarter horse race on August 22nd. While at Langley they visited with Jean's two sisters and two of her brothers.

The Ramona Community League held its annual picnic on Sunday, August 23rd with a good turn out. The Teen Club had a raffle and the winners were Mrs. Rudolph Dusterhoft, Mrs. Dora Plewis, Barbara Swap, and Bobby Kmyta.

Bud Sullivan brought home a second prize ribbon with his stallion Llidar at the Evansburg horse show.

Dianne Sullivan took fourth with her horse in the mare halter class and Dianne Sullivan, Corrine Dix and Marion Medd took first for their Arabian costumes. Congratulations folks.

Don't forget the next bingo on Tuesday, September 8th. The jackpot will be $170.00.

Bowlers to Hold Meeting

The Drayton Valley Five Pin Bowling Association will hold its first meeting of the 1970-71 season on Tuesday, September 8th at 8 p.m. in the Frank Maddock High School. This meeting is open to all bowlers. League play begins on Monday, September 14th.

D. V. Highlights

By Mrs. Edith Deby

Our sympathy goes to Mrs. Walter Durham and her children and grandchildren. Mr. Durham passed away very suddenly last week. He will be sadly missed by his many friends in this community.

Mrs. Joan Reynolds has just returned from a holiday spent at Chilliwack with her son and daughter-in-law, Mr. and Mrs. Gordon Reynolds.

Miss Louise Bouffard much enjoyed a visit from her sister and brother-in-law Mr. and Mrs. F. Kreklau and their children. The Kreklaus live at Surrey, B.C.

Miss Maureen Wade is Drayton Valley's one and only member of the jet set. Miss Wade, a second year student at the University of Alberta, spent her summer in Europe as usual and was in Africa briefly at the end of her holiday. While in Drayton Valley Miss Wade was a guest of Miss Margaret Hammerlindl.

Mr. and Mrs. Robert Elliott enjoyed a "camper" summer holiday. As everyone knows campers are ideal for people who wish to get away from the crowds The Elliotts spent a few days camping south of Vermilion along the Battle River. This district is well known to both Mr. and Mrs. Elliott and they considered themselves fortunate to be in that district at the same time as an old friend who has been living in the United States for years.

Mr. and Mrs. Jim Edmunds were at the Dudley Edmunds on the weekend. The young people were on the first phase of a holiday that would take them to B.C. for some rock hunting.

Mr. Chester Miller left by train on Wednesday for the Pacific coast where he will visit his nieces, Mrs. Marjory Andrews and Mrs. Eleanor Watson. After a short stay with Mr. and Mrs. Gordon Reynolds in Chilliwack Chester will go on to visit nephews at Peachland and Quesnel.

"He's not the world's best manager, but can he protest a decision!"

BUY-USE-ALBERTA PRODUCTS

Have you checked your kitchen cupboards lately? How many Alberta Products are in them?

It seems ironical that we must sell Alberta to Albertan's but that's what the situation looks like. How can we expect to sell our agricultural products to other people if we don't buy them ourselves !'.

Are you the typical consumer who shys away from Alberta products because the brand name isn't well known? If you are, then read on and become familiar with some brand name Alberta products:

RAPESEED OIL

"West Oil" - Western Canada Seed Processors Ltd.; "Capri Oil" Canada Packers Ltd.; "Colza Oil" - Western Vinegars; "Burn's Vegetable Oil" - Burns Foods Ltd.

WHEAT PRODUCTS

Besides all the delicious baked goods made from Alberta wheat, look for these the next time you're off to replenish your grocery supply: Prairie Maid Wheat Puffs, Sonny Boy Cereal, Roma Macaroni, Ogilvie Quick Oats, Ogilvie Pot Barley, Rosebud Pancake Flour.

DAIRY PRODUCTS

When buying milk, cream, cheese and other dairy products look for N.A.D.P. and Alpha indicating an Alberta product.

Speaking of dairy foods -- have you tried sour cream with onions or chives? It makes a great chip-dip. While you're at it try yogurt in it's many fabulous, fruit flavors. It's delicious.

VEGETABLES

Don't get fooled by these products - make sure they're Alberta grown not merely packed for an Alberta company.

If you're already using Alberta grown potatoes, carrots, corn, etc. you'll enjoy trying Tona potato chips.

Alberta sugar and Alberta Sweet honey are the two favorite sweeteners at our house. Check to see if they're on your kitchen shelf.

For tested recipes using Alberta products contact this office for "Ways with Honey", "Cooking with Rapeseed Oil", "Recipes Using Rapeseed Oil", "Potatoes" and the dairy foods packet.

Remember -- on that next trip to the grocery store, look for Alberta products. Let's promote Alberta.

DATSUN 1600 PICKUP

the most misunderstood truck in the country

We built the Datsun 1600 pickup to be a tough, rugged, no-nonsense, hard-working tool. Fine. A lot of people bought it for just that. But a lot of other people bought it and they don't use it for work. They use it for play.

We put a sturdy 96 horse engine in it because a working truck needs lots of power. We designed it to haul a ton, because a working truck should be able to handle heavy loads. It gets up to 30 miles to the gallon, because a working truck should be economical to operate. And it handles like a nifty little car because there's no reason why a truck that wears like a tank should handle like a tank. We built North America's number-one selling imported truck to work for its living - and they're out there living a life of pleasure.

Where did we go wrong?

United Church Setting For Summer Ceremony

A lovely summer wedding was solemnized Saturday, July 11th, 1970 at 3:30 p.m. in the Drayton Valley United Church when Linda Marie Litzenberger of Drayton Valley, daughter of Mr. and Mrs. Philip Litzenberger of Edson, Alberta became the bride of Mr. Albert Eugene Maik, son of Mr. and Mrs. Mike Maik of Vermilion, Alberta. Pastor Ezekiel Martin officiated.

Bouquets of pink and mauve gladiolas and yellow mums decorated the church. The wedding music was played by Mrs. Chuck Schneider and soloist was Mrs. Ezekiel Martin.

The bride, given in marriage by her father, looked beautiful in her gown of white organza which was edged with lace of daisies on the bodice and the hem of the train. Her veil was held in place with a headpiece of daisies matching her gown. She carried a bouquet of pink roses with white stefanotis, complimented with a white velvet ribbon. Her only jewellery was a pearl drop necklace and earrings.

Attending the bride was, sister of the bride, Dianne Litzenberger, Miss Betty Dams, Miss Donna Mayer and Mrs. Betty Ann Yarmuch. The bridesmaids wore identically styled dresses, two which were light mint green in color and two were light mauve. Daisies on the neckline and bodice of the bridesmaids dresses matched those on the bride's gown.

Mr. Howard Baker of Drayton Valley was best man with Mr. Jerry Litzenberger and Mr. Rick Simon as ushers.

A reception was held at the Elks Hall at 6:00 p.m. with a three tier wedding cake, styled in "Stairway of Paradise", centering the bride's table. Two small bouquets of sweetheart roses with pink candles flanked the cake.

For her daughter's wedding the bride's mother chose a floral chiffon dress of pink, white and mauve and matching hat with white accessories. The groom's mother chose a pink and silver dress with white accessories.

Master of Ceremonies was Mr. Rick Simon, with Mr. Wally Janzen giving the toast to the bride.

For her wedding trip to British Columbia the bride looked lovely in a pink and white two-piece suite with white accessories.

The couple will reside in Drayton Valley, Alberta.

BUCK LAKE NEWS

...her daughter Doris and Richard Wessler of Calgary. They attended the Watson-Tonhause wedding.

Glen and Sherry Kane stopped on Thursday evening on their way home from Lethbridge to pick up little Stuart from grandma's. He celebrated his 1st birthday on Saturday, August 22nd with ice-cream and cake, but his mommy celebrated hers that day by coming home from the hospital. They will both have a belated party at home when she is feeling better.

Gordon Watson and family have been visiting with his parents, Mr. and Mrs. Stan Watson and the children.

The Don Belcourt family has moved their trailer back to Buck Lake from Morley. Welcome back.

Riley Johnson spent some time in B.C. this summer.

Bill Goldsney is back from Rainbow Lake and is attending hockey school in Drayton Valley this week.

Wyman and Esther Fullerton, Larry and Arlene had a pleasant trip to B.C., spending three ...m there ... the ferry back to the Alaman-Lad where they met Larry and Arlene and all motored home.

Ted Hovde recently returned from a month long holiday to his homeland of Norway, his first trip back in 45 years. He has a sister and two brothers there and visited them and old friends as well in his home town of Notoen.

School began for the kids on Tuesday morning, September 1st but teachers returned on Monday, August 31st.

Congratulations from everyone to Dan and Vera Duffy, who were married in Edmonton, August 20th.

Harvey Goodkey had a narrow escape a few days ago when returning from Drayton Valley, he had to take to the ditch to avoid a collision. His car overturned, but fortunately he was not injured, just a stiff neck for a couple of days.

Get well wishes are extended to Mrs. Gertrude Durant who is in hospital in Wetaskiwin. Gen-... and family.

Alice Parker was home with her family, the Norman Parkers, on the weekend. Mary Parker is working as a cook at the Mountaineer Lodge.

Wendy Foster has been working in Calgary this summer in a hospital for children.

RECREATION WORKSHOP PLANNED AT STONY

The Parkland Regional Recreation administration has announced plans for an area workshop to be held in the Stony Plain Community Hall from 9:00 a.m. to 9:00 p.m. on Thursday, September 17th.

The workshop is in response to a request from the Minister of Youth to examine the recreation picture and select delegates to the Ministers' Conference on Recreation to be held in Edmonton during October. The Parkland region is eligible to send a maximum of fourteen delegates to the Edmonton Conference.

The Ministers' Conference will be held at the Macdonald Hotel from October 16 to 18. Its purpose is "to provide an opportunity for those agencies and organizations involved in recreation throughout the province to consider the direction and scope of recreation in Alberta for the ensuing ten years."

Organizations throughout the Parkland region are invited to send two delegates to the Stony Plain workshop where a number of important recreation matters will be discussed. Groups that intend to send delegates are asked to advise the Recreation Office in Stony Plain as soon as possible.

Funeral Services Held For Axel Homme, 82

Funeral services were held at Burtonsville on August 23rd for Mr. Axel Friis Homme, 82, who passed away suddenly on Thursday, August 20th. Rev. George Harrison of Edmonton conducted the service and interment was made in the Free Methodist Cemetery in Burtonsville.

Mr. Homme was healthy and active up to the time of his death which occured suddenly as he was walking with his wife.

Born at Fevik, Norway on January 27, 1888 he came to Canada in 1909 and worked in logging camps in this area until 1912 when he returned to Norway for a year.

Returning to Burtonsville in 1913 he went back to logging and river drives where he became foreman. After several years on the river he turned to blacksmithing and farming in the area.

In 1916 he was married to Emma Walker of Burtonsville and the couple spent most of their lives in the district. He enjoyed meeting people and had many friends throughout the area.

He is survived by his wife, Emma; four sons, Bill of Alix; Melvin, Red Deer; Lewis of Stony Plain and Cecil, Burtonsville; three daughters, Mrs. A. Osbak (Bernice) of Warburg; Mrs. R. Wheadon (Lilly) of Whitecourt; and Mrs. Z. Petriko (Norma) of Edmonton; twenty-six grandchildren and two great-grandchildren; and one brother in Norway.

Funeral Service Held For Walter Durham, 75

Funeral services were held Friday afternoon, August 28th, 1970 for Walter Frank Durham of Drayton Valley who passed away suddenly at his home on August 25th.

Funeral services were conducted by Legion Branch No. 269, with Rev. J. A. Rustin officiating. Interment was made in the Drayton Valley Cemetery.

Mr. Durham was born in Castleford, County of York, England in 1895 and came to Canada as a lad of 7 by himself. His parents had come a year ahead while he was attending school. The family settled at Duck Mountain, Manitoba and later moved to a farm north of Kitscoty.

Mr. Durham, a veteran of the First World War joined the army in 1918 and received the Military Medal.

In 1920 Mr. and Mrs. Durham (nee Marjory Law) were united in marriage and farmed the home farm when his parents moved to Kitscoty. There they raised their family of four boys and two girls. For many years Mr. Durham was also dray man at Kitscoty.

The move to Drayton Valley district was made in 1939 where Mr. Durham farmed and worked in lumber camps. In the fall of 1957 the family moved to town where he worked for oil firms and later operated the pool hall.

He is survived by his loving wife, Marjory; three sons, George and Arthur of Drayton Valley, Milton of Edmonton; two daughters, Mrs. B. (Mary) Medwed and Mrs. H. (Iris) Bierkos of Drayton Valley; fourteen grandchildren and four great grandchildren. He was predeceased by his fourth son, Kenneth.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending August 29, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	5350	4000	1450	3900	685
Last week	6444	5289	1155	4184	69
Same week (1969)	8158	6726	1432	1496	703

SUMMARY

Receipts were considerably lower this week as swathing of grain becomes general. Offerings consisted of approximately 65% replacement cattle and calves. There was improved action on most classes of slaughter cattle. Butcher steers sold firm to 25 higher. Butcher heifers barely steady selling about 25 lower. Butcher cows sold 50 to 1.00 higher. Bulls were 50 easier. Veal and butcher calves 2.00 to 3.00 lower.

SLAUGHTER CATTLE & CALVES

The slaughter trade opened on a firmer undertone with both steers and heifers selling over the previous week's close. Butcher steers sold fully steady for the week with a few fancy choice kinds topping 28.50. Butcher heifers sold to 26.30 early but were off 25 by mid-week as buyers were more selective. In closing trade there was only the odd sale over 26.00. Butcher cows sold progressively higher as the week advanced. Better quality cows were 50 to 1.00 higher while lower grades gained 50¢. Bulls sold unevenly to 50 lower as the week closed. Veal and butcher calves were more plentiful selling 2.00 to 3.00 lower.

REPLACEMENT CATTLE & CALVES

All replacement classes sold fully steady to a shade stronger for 700 to 800 lb. feeder steers. Feeder heifers generally steady. Stock calves were also steady with a few light weights selling over quotations.

SHIPMENTS

Last week's shipments off the Edmonton Public Stockyards were - East, 400 for slaughter. West to B.C., 525 for slaughter and 50 feeders. Export, 52 slaughter. Through-billed to Ontario, 203 feeders. Feeders to southern Alberta areas 950.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Steers: Choice 27.75 to 28.25, sales to 28.40, good 27 to 27.75, medium 25.50 to 26.50. Heifers: Choice 25.25 to 26.00, good 24.75 to 25.25, medium 23 to 24.50. Cows: Good 19.50 to 20.25, sales to 20.50, medium 18.50 to 19.50. Canners and cutters 15 to 18. Good bulls 23 to 24.50. Thin, fat and light bulls 21 to 23.

REPLACEMENT CATTLE & CALVES

Good feeder steers (750 lbs. & under) 32 to 36, (750 lbs. & up) 28 to 31, common to medium 26 to 31. Good feeder heifers 27 to 31, common to medium 23 to 26. Stock cows 18 to 24. Good stock steer calves 36 to 45, lightweights higher, common to medium 31 to 35. Good stock heifer calves 31 to 38, lightweights higher, common to medium 27 to 32.

SLAUGHTER CALVES

Good to choice veal (350 lbs. & under) 38 to 42. Good to choice butcher calves (350 to 450 lbs.) 30 to 38. (450 lbs. & up) 26 to 30.

HOGS

E.S.Y. butcher hogs sold fairly steady and even this week ranging from 26.05 to 26.65 base price. Boars steady at 9.00 per cwt. Sows 16.80 to 17.05 dressed weight. 900 feeder hogs sold Tuesday and Thursday afternoon ranging from 24.90 per cwt. for 90 lb. feeders down to 18.00 per cwt. for heavier kinds. 25 lb weaners sold as low as 7.75 each with prices ranging up to 21.50 each for 85 lb. feeders

SHEEP & LAMBS

All regular receipts of butcher lambs sold on a rail grade basis. At last Friday's special sheep sale good to choice butcher lambs were 25.00 to 27.70 per cwt. A few feeders sold from 25.00 to 28.00 per cwt. depending on weight and condition.

ATTENTION CATTLE OWNERS

Improvement District No. 14 has been declared a warble control area by Ministerial Order 157/70, signed by the Minister of Municipal Affairs, June 8, 1970.

It is imperative the following regulations be strictly adhered to:

1. All cattle in Improvement District No. 14, except those mentioned in part 3 and 4 shall be treated annually from August 31st to November 30th, with a systemic insecticide registered for warble control under the Pest Control Products Act. Such systemic insecticides as Ruelene, Neguvon, Co-Ral and any other that may be named from time to time, to be administered according to instructions issued on container labels.

2. Milking dairy cows shall be treated from March 1st to May 31st, with a Rotenone back wash pesticide as registered under the Pest Control Products Act (Canada). Dry dairy cows shall be treated in the same manner unless systemic pesticides have been applied according to directions set out by the manufacturer of the said pesticides.

3. Calves under 3 months or weighing less than 300 lbs. and/or animals under severe stress (malnutrition, disease, calving, etc.) may be exempt from treatment, but shall be properly treated upon reaching the required age, weight or recovery from stress.

4. All cattle shall be treated with a recommended insecticide before entering any designated community pasture or any other pasture, private or otherwise in the area.

5. All stocker and feeder cattle brought into the area as breeding, feeder or replacement stock shall be treated with a recommended warble control chemical as soon as weather and other conditions permit.

6. A person or persons who contravenes this Order is guilty of an offence and liable to summary conviction as set out in Section 25 of The Agricultural Pests Act, 1960, and/or the Municipal Government Act 1968, Sections 157, 113 and 114, and Chapter 75, 1969, Section 22, being an Act to amend the Municipal Government Act.

Timmy Town of Moon Lake, one of the Alberta Junior Citizens to receive awards at Calgary next week, is shown here receiving a plaque from Parkland County Councillor George Mann in recognition of his efforts in saving his brothers and sisters and the family home in a fire last winter. The award was presented on behalf of the County of Parkland at a gathering in Entwistle earlier this year.

Junior Citizen Awards To be Presented Next Week

CALGARY -- Four young boys and two girls have been named Alberta Junior Citizens of the Year, for Calgary Power's service area.

Lieutenant-Governor J.W. Grant MacEwan will confer the Junior Citizen honors at a luncheon September 11th, during the annual convention of the Alberta Weekly Newspaper Association at the Palliser Hotel.

The Junior Citizen awards were inaugurated in 1962 by Calgary Power Ltd. and the AWNA to bring deserved, but frequently overlooked, recognition to acts of initiative, courage and leadership by young Albertans.

In 1963, Canadian Utilities and Northland Utilities joined in this recognition program to make The Junior Citizens of the Year program province-wide.

The award winners will receive a $50 Canada Saving Bond, a certificate and citation from Lieutenant-Governor MacEwan, recognizing their meritorious deed, and a lapel pin.

In addition to the six individual awards, there is also a group award. This year's group recognition goes to the Biology classes of Winston Churchill High School in Lethbridge.

Individual winners for the Calgary Power service area are Vance Lickiss, 10, of Hays, nominated by Mr. and Mrs. Harland Brandon; Diane Greely, 14, of Sedgewick, nominated by Mrs. George Wellman; Tom Emelson, 16 of Lomond, nominated by Mrs. Raymond Elliott; Timmy Town, 14, of Moon Lake, nominated by Hubert Forecast; Bruce Lede, 14, of New Norway, nominated by V.N. Grundberg; and Laura Vassar, 12, of Hinton, nominated by Mrs. Freda Sornberger.

Build A Better Lure

Every few years a new "sure thing" lure comes along for fishermen. For awhile it's the hottest thing in the country, takes fish on almost every cast (to hear the tales), and is the only bait to use if you want to catch fish.

Red Fisher

Then, for some unknown reason, this same lure no longer catches fish and rapidly disappears from tackle boxes.

The logical question, according to Red Fisher, the angling authority at Mercury outboards, is why won't the lure catch fish any longer? The usual answers range from "The fish got smart" to "They're not making lures as they used to."

The truth is that fishermen are fickle and just like to change lures. They stop fishing with the old baits, and when a lure isn't fished, it can't catch fish.

A good example of this is the switch by bass anglers from spoons with pork rind tails to plastic worms. Now it's the plastic worm that is considered the real fish catchers. Beats the old spoon and pork rind combo. But who's fishing spoons anymore? No one, for all practical purposes; everyone is using the new bait, and they're catching fish.

In reality, the old, proven lures are just as good as ever. It's the fishermen who have changed. They want to try something different... and this is good. For it means they'll chuck their old habits and start looking for fish in new places with new techniques.

The whole thing is kind of a circle affair. For one of these days someone will "discover" the spoon and pork rind method again, and we'll be off on another round of catching bass with these. The product may look a little different than previously, but basically it will be the same spoon and pork tail combination which worked years ago.

BUCK CREEK NEWS

Mr. and Mrs. Gordon Fredrickson and family of New Norway visited at the Ben Regenwetter home last week.

Miss Kathy Safronovich spent last week in Edmonton visiting with Miss Doreen Dunsmore.

Wayne Safronovich spent last week with Ron Teske at Ryley.

The Walter Stec family spent last weekend at Lake Isle.

Mr. and Mrs. Mervin Bevan and Raymond have returned from a trip to Calgary, Banff, Lake Louise, Kelowna, Jasper and Miette Hot Springs.

Mr. and Mrs. Frank Saybel and boys of Edmonton spent a couple of days visiting at the Buster MacDonald home.

The cub sleep-out planned for Friday night was rained out, however, the boys and their leader, Mr. Bob Barker, enjoyed the day with swimming at the Drayton Valley pool, games and a cook out for the evening meal.

Mrs. Joyce Stec and Darlene drove to Ponoka on Friday to pick up Sherry and Jerry who have been visiting with their aunt and uncle there.

The next community club bingo will be held Friday, September 4th at 8 p.m. Bingoes will continue to be held the first Friday of every month.

Cattle Owners in I.D. 14 Approve Warble Control

The petition circulated last winter by the Agricultural Service Board was very successful, there being 95.6% of the owners in Improvement District 14 in favor of establishing a control area, according to Dick Lowe, Agricultural Fieldman.

Treatment time for the "pour-on" method is from August 31st to November 30th. Animals to be treated at this time, and by this method, are beef, dry dairy cows (27 days from calving), and calves over 300 pounds.

All cattle owners will be contacted by the Captains appointed for each area. These men will remind you of treatment time and answer any questions you may have in regards to facilities required, animals to be treated and where chemical supplies are available.

I would like to emphasize at this time that there is no need for an elaborate corral or chute system. However, enough restraint must be provided so that cattle being treated can be held long enough to pour the systemic along the backline.

Neguvon, the brand name of chemical to be used, is premixed and ready to apply from the container. Quantities to be used at ½ ounce per 100 pounds liveweight, with a minimum treatment of 1½ ounces for a 300 pound calf to a maximum of 5 ounces regardless of size.

We are very fortunate in this area in the fact that there are no cattle to the west of us and hence no problem. We are bounded on the east by the Pembina [illegible] and as yet the majority of our cattle are shipped out of the district rather than brought in.

If everyone plays his part, there should be no reason why we, the I.D., will not be one of the first areas in Alberta to be free of this pest.

HIGHWAY WORK ABOUT HALF DONE

Hon. Gordon E. Taylor, Alberta Minister of Highways and Transport announces that 55% of the Highway Grading Program was complete; that is, 90 miles have been completed to date. This compares with 51% at the same time in 1969.

160 miles of base course have been completed which is just one-half of the 1970 program; this lags a little as 58% of the base course work had been completed at this time in 1969. A larger percentage of the base course work this year, however, is in combined projects where grading work must first be advanced and additionally, severe rainfalls, particularly in the northeast area, have held up the base course work substantially.

72% of the asphaltic concrete pavement work or 239 miles have been completed; this compares with 52% completed at this time last year.

220 miles of seal coat work has been completed or 79% of the program which is just about the same as last year.

The base course contracts have been hit the worst by rain and inclement weather. Last year 211 shifts were lost due to rain while this year 283 shifts have been lost on base course work. 788 shifts altogether have been lost due to rain this year compared to 750 in 1969.

Legion Auxiliary News

The Legion Auxiliary sponsored a "Bowling Party" for the Drayton Valley Summer Figure Skaters on August 16th with 18 youngsters taking part. After bowling three games, in which they received gag prizes for trick bowling, they went to the Legion Hall for food and refreshments and the awarding of trophies to the high and low bowlers. Winners of the trophies were: Dawn Ames, of Hinton and Jeff Jeff Wardlow won high score, Pam Reid, low score.

The Auxiliary would like to take this opportunity to thank Mr. John Hurley for opening the alleys for us and help during the bowling.

It was very gratifying to be able to help entertain these youngsters, some of whom were from out of town and the auxiliary hope to be able to do the same next year. They were a grand bunch of kids.

Auxiliary meetings will resume September 8th and all members are reminded to turn out in full force for the first fall meeting. A cordial invitation is extended to all eligible ladies wishing to join the Auxiliary, for further information please contact membership chairman Mrs. Joan Hale at 542-4365.

VANDALS CAUSE DAMAGE

Breton R.C.M.P. are investigating a sticky case in the Buck Lake area.

Vandals overturned 70 bee hives belonging to John Zekonja, ruining gallons of honey. The hives were in three different locations.

The incident was one of several acts of vandalism in the Buck Creek - Alder Flats area recently R.C.M.P. report a cable-operated backhoe was started in the forestry road area with damage estimated at approximately $5,000. Five teeth were knocked out of the machine and a gear was wrecked.

Earlier at the same site four Caterpillers were started. The unknown operators pushed over trees and gouged holes in the earth with the machines.

AGRIGULTURAL COMMITTEE
COUNTY OF PARKLAND No. 31

WARBLE CONTROL

A By-Law of the County of Parkland #31 was passed authorizing it to establish a Warble Fly Control area in the County of Parkland #31 as follows:

WHEREAS, The cattle warble grub is declared a pest under the Agricultural Pests Act and causes great damage to the cattle industry in Alberta,

AND WHEREAS, a majority of 80% or more of the cattle owners in the County of Parkland No. 31 have signified by petition their willingness to have Warble Control established in the County.

AND WHEREAS, under authority of the Municipal Government Act, Chapter 68, Section 157, as amended May 7, 1969 by Chapter 75, Section 22 of the said Act, the Council of a Municipality may provide a by-law for the purpose of eliminating or mitigating insects likely to be destructive or dangerous to livestock,

AND WHEREAS, under authority of the Agricultural Pest Act 1960, the duties of any person who owns, occupies or controls land and the Municpal authority above mentioned, are defined.

THEREFORE, the Council of the County of Parkland No. 31 being duly assembled, enacts as follows:

1. The Council is hereby authorized to establish a Warble Control Program in the County of Parkland No. 31.

2. All cattle in the County of Parkland No. 31 except those mentioned in parts 3 and 4 shall be treated annually from August 31st to November 30th with a systemic insecticide registered for warble control under the Pest Control Products Act. Such systemic insecticides as Ruelene, Neguvon, Co-Ral and any other that may be named from time to time, to be administered according to instructions issued on container labels.

3. Milking dairy cows shall be treated from March 1st to May 31st with a Rotemone back wash pesticide as registered under the Pest Control Products Act (Canada). Dry dairy cows shall be treated in the same manner unless systemic pesticides have been applied according to directions set out by the manufacturers of the said pesticides.

4. Calves under 3 months or weighing less than 300 lbs. and/or animals under severe stress (malnutrition, disease, calving, etc.) may be exempt from treatment but shall be properly treated upon reaching the required age, weight or recovery from stress.

5. All cattle shall be treated with a recommended insecticide befor entering any designated community pasture or any other pasture, private or otherwise in the area.

6. All stocker and feeder cattle brought into the area as breeding, feeding or replacement stock shall be treated with a recommended warble control chemical as soon as weather and other conditions permit.

7. A person or persons who contravenes this By-Law is guilty of an offence and liable to summary conviction as set out in Section 25, of the Agricultural Pests Act 1960, and/or the Municipal Government Act 1968, Sections 157, 113 and 114, and Chapter 75, 1969, Section 22, being an Act to amend the Municipal Government Act.
